KIT – The Research University within the Helmholtz Association

# Transfer of credits from the Master's preparatory programme to the Master's degree programme

APPLICANT:

| | | | | | | | |
|---|---|---|---|---|---|---|---|
| | | | | | | | |

Matriculation number

Surname

First name:

Email:

Master's degree programme:

Specialisation (if applicable):

I request that the following master's-level credits earned during my bachelor's degree at KIT be transferred to my master's degree programme:

| Title of the examination | Module | Subject |
|---|---|---|
| | | |
| | | |
| | | |
| | | |
| | | |
| | | |

**Please note:** You are only entitled to have your Master's credit points transferred to your chosen Master's programme if these are included in the programme's curriculum! The Master's credit account will be deleted once the account has been cleared. This process takes place automatically upon submission of this application. Credits that are not recognised within the Master's programme's curriculum will not appear on any degree certificate. The application must be submitted to the KIT Student Services Office within the first semester following enrolment (see Official Notice No. 19/2014, published on 28 March 2014). ).
